Ryan's Ramblings

Tomorrow will be the 4th of July and we will celebrate our nation's 245th birthday. We celebrate freedom on our nation's birthday. We celebrate freedom because of the price others paid for our freedom.

Freedom, we must know, isn't free. Freedom is very expensive. Freedom has cost some people everything, including their lives. Freedom isn't free, but it sure is valuable. The founding fathers wanted freedom and were willing to risk everything to get it.

They risked their very lives and many paid for our freedom with their blood. Today we worship without the fear of persecution in the comforts of an air conditioned building. We do this because thousands gave their lives and shed their blood for us for our freedoms that we enjoy.

Freedom is not free because the price is always paid in blood. The blood spilled by young American men in Iraq, Afghanistan, and other places was spilled for our freedom.

2,000 years ago, Jesus' blood was shed so we could all experience freedom. The 4th of July is a day of celebration, a day of BBQ's, and a day of fireworks as we celebrate the founding or the birthday of this great country.

Thank God for the freedom we have in Jesus. **John 8:34-36** says, *“Jesus answered them, “Truly, truly, I say to you, everyone who practices sin is a slave to sin. The slave does not remain in the house forever; the son remains forever. So if the Son sets you free, you will be free indeed.”*

SCRIPTURE 4 TODAY

But just as he who called you is holy, so be holy in all you do; for it is written: "Be holy, because I am holy." 1 Peter 1:15-16, NIV

PRAYER 4 TODAY

Lord God, help us to be holy as you are holy, and free us from all the earthly things that try to torment us. Grant us your Spirit so that we do what is right. May we always hold your hand confidently. Protect your children everywhere on earth, and help them do what is right even if the whole world does what is wrong. Help us, so that all we do becomes holy and pleasing in your sight. Let your grace grow among us and among the nations, and let your hand be strong to bring in your day, your day when everything is made new. May your name be kept holy, your kingdom come, and your will be done on earth as in heaven. Amen.

QUOTE 4 TODAY

Fools laugh at others. Wisdom laughs at itself.

YOUTH NEWS

I'm working on a schedule for youth events now. Once I have dates set in place, I'll share with everyone. God Bless!

BRYCE'S BEACON

Proverbs 19:11 - "*A person's wisdom yields patience; It is to one's glory to overlook an offense.*"

With wisdom comes patience. With wisdom comes turning the other cheek. With wisdom comes love before anger. How many times can you say you have had the strength so walk away from a conversation that was getting heated? I must admit, I have participated in more that I would like to say. But as I strive to grow in wisdom, I should find myself having less of a hard time taking the high road. Jesus was the best example of this. Can you imagine what he put up with just from a verbal standpoint? Not to mention the physical. Look at how much he endured, and how much his wisdom allowed him to shrug off offenses. Do not be easily offended. Instead of rushing to react or defend, choose to listen, exercise patience, and move on without bitterness.

THANK YOU CARD
